MAIN TOPICS DISCUSSED
(briefly)

During the meeting the main topics discussed were:

1- Brief introduction of E-COOL and progress – next steps of the project/ Mrs. Erőss Bea, project manager

2-Brief presentation of the primary, draft Action Plan elaborated within the project – Presentation held by Mrs. Kocsis Erika, on behalf of the Planificatio company.

3- Discussion related the planned activities and examination of each action included, proposals on behalf of the participants and establishment of the next objectives.

MAIN ACTION POINTS
(briefly)

At the beginning of the meeting Mrs. Erőss Bea, manager of the E-COOL welcomed the participants of the on-line meeting, presented the agenda and the aim of the 5th stakeholder meeting.

Following the greetings Mrs. Erőss Bea, manager of the E-COOL project took a brief introduction of the project and of the activities undertaken within project implementation process.

Following this presentation, Mrs. Kocsis Erika, on behalf of the Planificatio company hold a presentation related the primary draft of the Action plan document. The actual document was elaborated following continuous didcussions on the topic, with the cooperation of the project implementation unit members. In the first part of the meeting were presented the results of the survey undertaken by Harghita County Council, with the participation of the local entrepreneurs. The gained results represent the main pillars of the Action plan document. Taking into consideration the above mentioned, the main objective, which concludes the Action plan document is: to harmonize the needs existing in the labour market and in thefield of education, to assure an interlinkage between them.

In the second part of the meeting Mrs. Kocsis Erika presented the main actions and visions that are included in tha Action plan document. The main actions are the following:

1. Enhancement of the teachers activity related entrepreneurial skills curricula
2. Practical skills for students, who are going to start an own business
3. Online platform for SMEs and for future entrepreneurs
4. Presentation of the best good practices in schools
5. Virtual tour on real enterprises
6. Business incubators
7. Digitalisation of the education
8. Mentor program for SMEs in rural areas
9. Professional workshops addressed to future entrepreneurs

Following the presentation, each action was discussed with the active contribution of the participants. There were collected proposals and feedbacks related the above mentioned.

It is important for us the future cooperation with our partners, because their suggestions, proposals and remarks are useful for the finalization of the Action plan document. Our main partners are: the Development Agency of Harghita County, Harghita Business Center, Harghita County School Inspectorate

The participants of the meeting had the opportunity to address their questions related good practices, and following they assessed the good practice in the relevant template that they received by e-mail.
