AGENDA

10:50-11:05 Participant registration and welcome coffee

11:05-11:45 HoCare Project Presentation; Interactive session for national stakeholders

11:45-12:00 Conclusions

Mrs Florescu Gabriela and ICI Team welcomed the stakeholders and observers and described the project history, the project objectives, Workpackages, Current status; she sent the greetings from several Romanian stakeholders who were not able to attend due to their busy agenda at the end of the year.

The invited participants presented themselves, their organization and their interest in the HoCare project results.

Mrs Florescu presented the main outputs at the WP3 – the 3 templates, the code of conduct for stakeholders, thematic workshops methodology.

The stakeholders from the Ana Aslan Foundation International, Dr. Luiza Spiru and Dr. Mircea Marzan made a very interesting presentation of the state of the art of elderly health care situation in Romania and of some of their national and international projects, platforms and results that could be considered as Good Practices or transferable projects within the interregional cooperation provided by HoCare project.

The stakeholders agreed to continue interacting with HoCare Teams and participate as experts at the Thematic International Workshops pending their availability.

Mrs Florescu presented the HoCare project goal to keep HoCare Project open to the stakeholders needs by sending to all project stakeholders, the meetings minutes, the newsletters, the press communicates as well as public outputs (templates, code of conduct of stakeholders, thematic workshop methodology, reports, studies) in order to interact with current interested organizations for practical involvement in the project outputs to cover their needs of innovative solution in Home Care domain.
