Happy birthday STAR Cities !

STAR Cities has recently celebrated its first year as an **Interreg Europe project**, looking to develop river tourism within five European cities. From its launch and the kick-off event to the first stakeholders meetings, reflect on a year of achievements and major milestones.

Next step : the adoption and implementation of a **program of thematic seminars** based on the different state of plays defined by each partner.

THE RIVERSIDE CITIES NETWORK

STAR Cities is implemented by the **Riverside Cities network** which brings together local regions wishing to develop or redevelop recreational activities along rivers or waterways in an urban environment. Its members are all keen to increase awareness of this alternative to traditional tourism in European cities.
