THE PROJECT

II Interregional meeting of MOMAr

The European project MOMAr (Model of Management for Single Cultural Heritage) of Erasmus+ funded the second interregional meeting in the form of an online seminar due to the pandemic. The event took place from 11 to 12 November under the title "Heritage Against Corona: a sustainable future" and was hosted by the partner Province of Zaragoza.

The call went a success, registering more than 70 participants in the first online seminar possible in the network.
