### **Dialogue table for improving natural, cultural, military and fortresses heritage policies.**

*Participation of project partners, invited stakeholders and online stakeholders.*

## **Summary of the event**

On the first day, 19<sup>th</sup> April, all delegations were welcomed to a joint dinner in Teruel. Thanks to Covid, this was the first opportunity for many participants to meet in person. During the evening, the program for the following days was presented.

The next day, 20<sup>th</sup> April, began with a ceremonial welcome in the museum building in Teruel from the President of the Provincial Government. The joint photography was followed by a trip to Albarracín, where the Dissemination Conference took place. During it, the action plans of individual partners were presented to project partners, stakeholders and the present public. At the end of this part of the program, a joint dissemination video was also presented.

After lunch, the program continued with a tour around the fortified town of Albarracín with a presentation of its history and the gradual restoration of its monuments. The town of Albarrac is a prime example in Spain of how to restore and reconstruct historical monuments.

After returning to Teruel, a joint dinner was prepared, which was used to discuss the knowledge gained and to establish new connections between the partners.

The third day of the dissemination of the conference, 21<sup>th</sup> April, took place again in Albarracín and focused on the policy instruments of the individual partners. It was an exchange of experience and systems, as various policy instruments of individual partners in different participating countries. Subsequently, individual examples and their potential and possibilities for the future were discussed in the form of a workshop / dialogue table.

Lunch was followed by a trip to Peracense rock castle, a tour was focused on its history and way of reconstruction.

After returning to Teruel, a final dinner was prepared, It focused on a joint discussion of the experience gained and a farewell of all participants before their return home.
