

PEER REVIEW

OPEN CALL

REGION	Basque Country
CONTACT	Catalina Chamorro

IDENTIFIED TOPIC FOR THE PEER REVIEW.	The design and evaluation process of the three programs included in the scope of the project.
WHY IS IT IMPORTANT?	The goal of the Basque Country team is to design a new evaluation methodology for the combined evaluation of the three programs. As a starting point, we need to review the design and evaluation process of each of them.
WHICH LEARNING PILLAR IS CONNECTED WITH?	<ol style="list-style-type: none"> 1. Innovation policy-mix for advanced manufacturing 2. <u>Monitoring and indicators</u> 3. <u>Action-oriented evaluation: how to make use of evaluation for decision-making purposes?</u> 4. Evaluation of innovation policy-mixes: towards an integrated evaluation 5. <u>Evaluation management: means, resources and efficiency in terms of cost/benefits</u>
WHICH SPECIFIC EXPERIENCES WOULD YOU LIKE TO SHARE WITH THE CONSORTIUM?	<ul style="list-style-type: none"> • The design and evaluation processes of each of the programs • The indicators used for the monitoring of the programs
USEFUL DOCUMENTS	To be included

WHICH REGIONS WOULD YOU LIKED TO BE INVOLVED IN THE PEER REVIEW	Opened to all.
