

NMP-REG PRESS BOOK – 04/2018 – 09/2018

1. P1 – ASEV – 07/09/18 – (Gonews.it). This [news](#) tells about the initiatives and innovation paths promoted by ASEV based on a constant work of participation and collaboration with the Region in the construction of strategies for the use of EU funds and in policies for the development of the business system. Proof of that are many European projects that - not only in the field of training - are coordinated by ASEV and represent valuable networks of collaboration and exchange with other countries: NMP-REG (innovation in manufacturing through advanced materials), TANIA (innovative technological solutions for environmental remediation), EPICAH (EU policies for sustainable tourism), funded under the Interreg Europe Programme.
2. P3 – CCDR-N – 07/18 – (Centi.pt). This [news](#) refers to the 6th Interregional Learning Event held the last July 2018 in Bucharest by the partnership of NMP-REG project and the participation of Centi in the event.
3. P3 – CCDR-N – 28/09/2018 – (CeiiA.com). This [news](#) reports that CEiiA attended the NMP-REG regional stakeholder group meeting, on 28th September, at the premises of CCDR-N, in Porto.
4. P5 – NMWP.NRW – 14/05/2018 – (Openpr.de). This [news](#) reports the fact that three INTERREG Europe projects "Stephanie", "NMP-reg" and "Kiss Me" have for the first time met for a joint exchange of experience with regard to innovation. The three projects provide important strategic impetus for the development of future developments in the participating regions of Europe.
5. P5 – NMWP.NRW – 20/08/2018 – (Openpr.de). This [news](#) refers to the 6th Interregional Learning Event held the last July 2018 in Bucharest by the partnership of NMP-REG project
6. P7 – UEFISCDI – 05/09/18 – (Intervio.ro). This is an [interview](#) conducted during the 6th meeting of the project held in Bucharest the last July.
