A photograph of a man and a woman smiling and talking in a library. The man is on the left, wearing a checkered shirt, and the woman is on the right, wearing a red top. They are standing in front of bookshelves filled with books. A large white number '2' is overlaid on the right side of the image. A semi-transparent white box is positioned over the top right, containing the text 'Share knowledge' in blue.

• **Myriam:** "Hi, is it correct that the Policy Learning Platform can do benchmarking for free? I would be interested to know which regions are financing smart grids demonstration projects in their OPs."

Policy Learning Platform : "Dear Myriam, yes indeed we provide the benchmarking service for free. We can give a brief overview of the OPs foreseeing demonstration actions in smart grids."

Myriam: "Really, and what if I need your help to analyse a specific challenge in my region?"

Policy Learning Platform : "well, we could find peers with relevant experience and organize a review of your case with them. I am sure you would find their feedback and recommendations useful. Send us a written request".
