### 3. Your need

*Please specify the issue for which you would like get advice from other European regions:*

*In this section, we need to understand precisely the issue you are facing and for which you would need the input of other regions. Please be as detailed as possible on the nature of this issue (e.g. background & context, exact nature of the difficulties encountered, stakeholder concerned, possible solutions tested so far):*

Empty text area for response to section 3.

### 4. Your motivation to team up with other regions

*Please specify the gains you expect from the peer review and the expertise you need:*

*In this section, please clarify the results you expect from the peer review. In particular, please explain how the input from other regions may help in improving the implementation of your structural funds programme or other local/ regional development policy (potential policy improvements, envisaged follow-up actions). In this perspective, please also specify the kind expertise you are looking for. Are you interested in any particular kind of regions or thematic expertise?*

Empty text area for response to section 4.

### 5. Your suggestions for potential peers (optional)

**Should you wish to propose potential peers for other regions in Europe, please indicate their contact details and expertise below:**

NB: In general, please note that an onsite peer review supported by the Policy Learning Platform should involve peers from at least two programme partner states (EU28 + Norway and Switzerland), other than your host country.
