

## Media Release – Semester 2 – South East Regional Development Agency

### REBUS - "Measures for energy rehabilitation of buildings"

The REBUS project is funded under the Interreg Europe Interregional Cooperation Program, Priority 3 "Supporting the transition to a low-carbon economy in all sectors", the specific objective 3.1 "Improving the implementation of regional development policies and programs, aiming at increasing investment and jobs and, where appropriate, programs on European Territorial Cooperation, which encourages low-carbon economy. "

*At the local level, the ADR SE organized two workshops with the key actors of the project:*

Workshop organized at Buzau City Hall on October 30, 2016, having as main objective the consultation of the key actors regarding the preliminary regional analysis in the field of energy efficiency of public buildings;

Workshop organized at the Tulcea County Council on February 1, 2017, for the identification of best practices in the field of energy efficiency - successful projects financed under the ROP 2007-2013.
