

Stakeholders Group Meeting n° 4

Date	<i>9th May 2017</i>
Meeting place	Municipal Services Department
Aim of this meeting	<p><i>To constitute formally a stable group to meet 9 times during 3 years.</i></p> <p><i>To make the members aware of the fact that they will be participating with their opinion in all project phases, also attending some meetings.</i></p> <p><i>To get from the group their opinions - diagnoses for depiction of the waste management state in the city centre - strengths, opportunities, defies - to identify good practices in our regions on field the Selective Collection in Heritage Areas.</i></p>

**Minute of the meeting:
Topics explored - Decisions taken**

1. Welcome by the Project manager.
2. The Project manager informed the Stakeholder about the project and explained the reason of the meeting.
3. The Project manager presented a summary about the Good Practises in Waste Deposit in Heritage City Centres which were presented by Intherwaste partners during I Thematic Seminar, which took place on 8-9 March 2017 in Porto.
4. During discussion participants decided that important issues of the waste management are selective waste collection services for: bulky waste, green waste, WEEE - 'Electroteam', waste textiles - '100% of benefits' and 'Bring-in sites' - a collection of selective waste fractions such as paper, metal, glass and plastic.

5. Findings and conclusions:

- a. Discussed solutions may be presented during the II Thematic Seminar in Krakow as Good Practises in the field of ‘Selective Collection of Waste in Heritage City Centres’
- b. The Stakeholder will get involved in organizational issues of II Thematic Seminar in Krakow about ‘Selective Collection of Waste in Heritage City Centres’
