

Stakeholder meeting: Policies for promotion of Low Carbon Economy in Extremadura

December 22th 2016

Stakeholder meeting: Policies for promotion of Low Carbon Economy in Extremadura (Spain)

December 22th 2016

Extremadura Energy Agency organized the first local stakeholder meeting in Spain on December 22th 2016 in Mérida (Extremadura).

23 stakeholders attended the meeting where discussed the real situation of the investments in renovation buildings, the current systems of public grants and the needed of new financial instruments to mobilize the renovation sector.
