

Agronutritional Cooperation

Region of Central Macedonia

A Short
Presentation...

The Agronutritional Cooperation of the Region of Central Macedonia is a civil non-profit organization which was formed in September 2016 as a partnership of 18 institutions.

Agronutritional Cooperation
Region of Central Macedonia

The organization initiated by the Region of Central Macedonia, which is also the major shareholder (47%)

The Cooperation consists of:

- six municipalities of the Region (namely, Municipality of Lagkadas, Paionias, Thermaikos, Delta, Kilkis and Oraiokastros),
- the Aristotle University of Thessaloniki,
- the American Farm School of Thessaloniki,
- the Federation of Industries of Northern Greece,
- the Chamber of commerce of the Regional Units of Serres and Halkidiki,
- the Union of Agricultural Cooperatives of Thessaloniki,
- the Greek International Business Association (S.E.V.E.),
- The Association of Wine Producers of the Vineyards of Northern Greece SA (EN.O.A.V.E. S.A.),
- the Hotel Association of Halkidiki,
- the Gaia Business SA, GAIA EPICHEIREIN S.A., and
- the Central Vegetable Market Traders Association of Thessaloniki.

The Region of Central Macedonia generates up to 25% of the national primary agricultural production. In the Region there are also many agro-food processing companies which have high production potential and quality standards.

Thus, regarding the agro-food sector Central Macedonia is the most dynamic Region in Greece.

Agronutritional Cooperation
Region of Central Macedonia

The major objective of the Cooperation is to highlight the priorities of the primary sector, as well as the agro-food processing sector of the Region.

An additional objective is to create the framework and the network that will assist the promotion of the agro-food products. It is also the strategic advisor of the Region of Central Macedonia regarding implementation policies on the specific sector.

As a private non-profit organization, the Agronutritional Cooperation has the flexibility to efficiently negotiate the promotion of products of the primary and secondary sector, working on behalf of various unions and/or individual companies.

Furthermore, it has the means and capabilities to manage sales and promotion of the agro-food products of the Region, acting also as a guaranteed partner.
