## FoodChains4Europe #fc4eu in one year !

### FoodChains4Europe project sums up its first year of activities!

The international network of regional authorities, universities and stakeholders celebrate the first year since they became engaged in supporting the delivery of innovation in the regional food chains.

Shortly about [#fc4eu](#) project....

An interregional cooperation project for  
improving innovation delivery policies.

### Get to know us! #fc4eu partners:

Reclaimed from the sea; that is the [Province of Flevoland](#) (NL), lead partner of [#fc4eu](#), a region proud of its cooperative spirit is [Emilia Romagna](#) (IT), while [Maramures](#) (RO) and [Oldham](#) (UK) are dedicated to strengthening cooperation with the stakeholders and community. [Euro Perspectives Foundation](#), a Bulgarian NGO dedicated to innovation has secured the participation of [University of Food Technologies](#) (UFT) from Plovdiv, leader in food technology research. The project has involved prestigious universities like : [Manchester Metropolitan University \(Man Met\)](#) - the largest campus-based undergraduate university in the UK , [Università Cattolica del Sacro Cuore of Piacenza](#) (IT) a multidisciplinary teaching and research institution and [AERES University of Applied Science](#) (NL) that has managed to develop a student minor dedicated to [#fc4eu](#) project.

---

## Constant learning

*FoodChains4Europe is about constant cooperation, exchanges, mutual learning and that sums up the 2nd inter-regional learning event from Bologna*
