Welcome to FoodChains4Europe project! [#fc4eu](#)

We are an international network of regional authorities, universities and stakeholders engaged to support the delivery of innovation in the regional food chains.

FoodChains 4 EU improves regional policies and initiatives to deliver innovative and sustainable food chains that are fit for the future and meet the growing expectations and needs of the European regions involved.

www.interregeurope.eu/foodchains4eu

An interregional cooperation project for improving innovation delivery policies.

Let us show how [#fc4eu](https://twitter.com/fc4eu) focuses on innovation for the food chains

Active Networking

FoodChains4Europe is about constant cooperation - the core element of all "exchange of experience" activities of the project. The partners are involved in regional stakeholder meetings, peer reviews, interregional learning workshops.....
