▶ Northern Netherlands Peer Review Event

On 22 and 23 November, European partners were introduced to the EDP and the associated challenges in the Northern Netherlands. Together with stakeholders and experts from the Northern Netherlands, the Beyond EDP partners worked to find solutions for problems in inspiring locations such as the IBM Client Innovation Centre and DOT. >> [Read more](#)

About Beyond EDP

The Beyond EDP project aims to strengthen the *entrepreneurial discovery process* in Europe, *boosting the Regional Innovation smart specialisation strategy (RIS3, in short) adopted by Europe in 2014.*

▶ EDP: a continuous process in RIS3 – the case of Castilla y León

The RIS3 of Castilla y León was developed following the methodology proposed by the European Commission, this
