Verksamt Värmland
Region Värmland

Tillväxtverket - The Swedish Agency for Economic and Regional Growth

European Regional Development Fund
Problem

• Difficult for Entrepreneurs to find *the help they need when they need it*.

• People outside the established networks are likely to fall out of the support system - young people, people with a foreign background, people with disabilities and women.

Aim

• Entrepreneurs of all kinds should experience that they get “*the right help at the right time*”
Verksamt.se is a collaboration among several Swedish government agencies, for you who
is considering to start are starting already running or want to develop or will close a company in Sweden.
