Regulation

7th paragraph of the 2nd section of the 10th article of the Law on Public Procurements states that the provisions of the Law on Public Procurements do not apply to procurement of R&D services – excluding the situation when the benefits of the R&D services are used solely by the purchasing organization and the payment for the R&D service is made solely by the purchasing organization

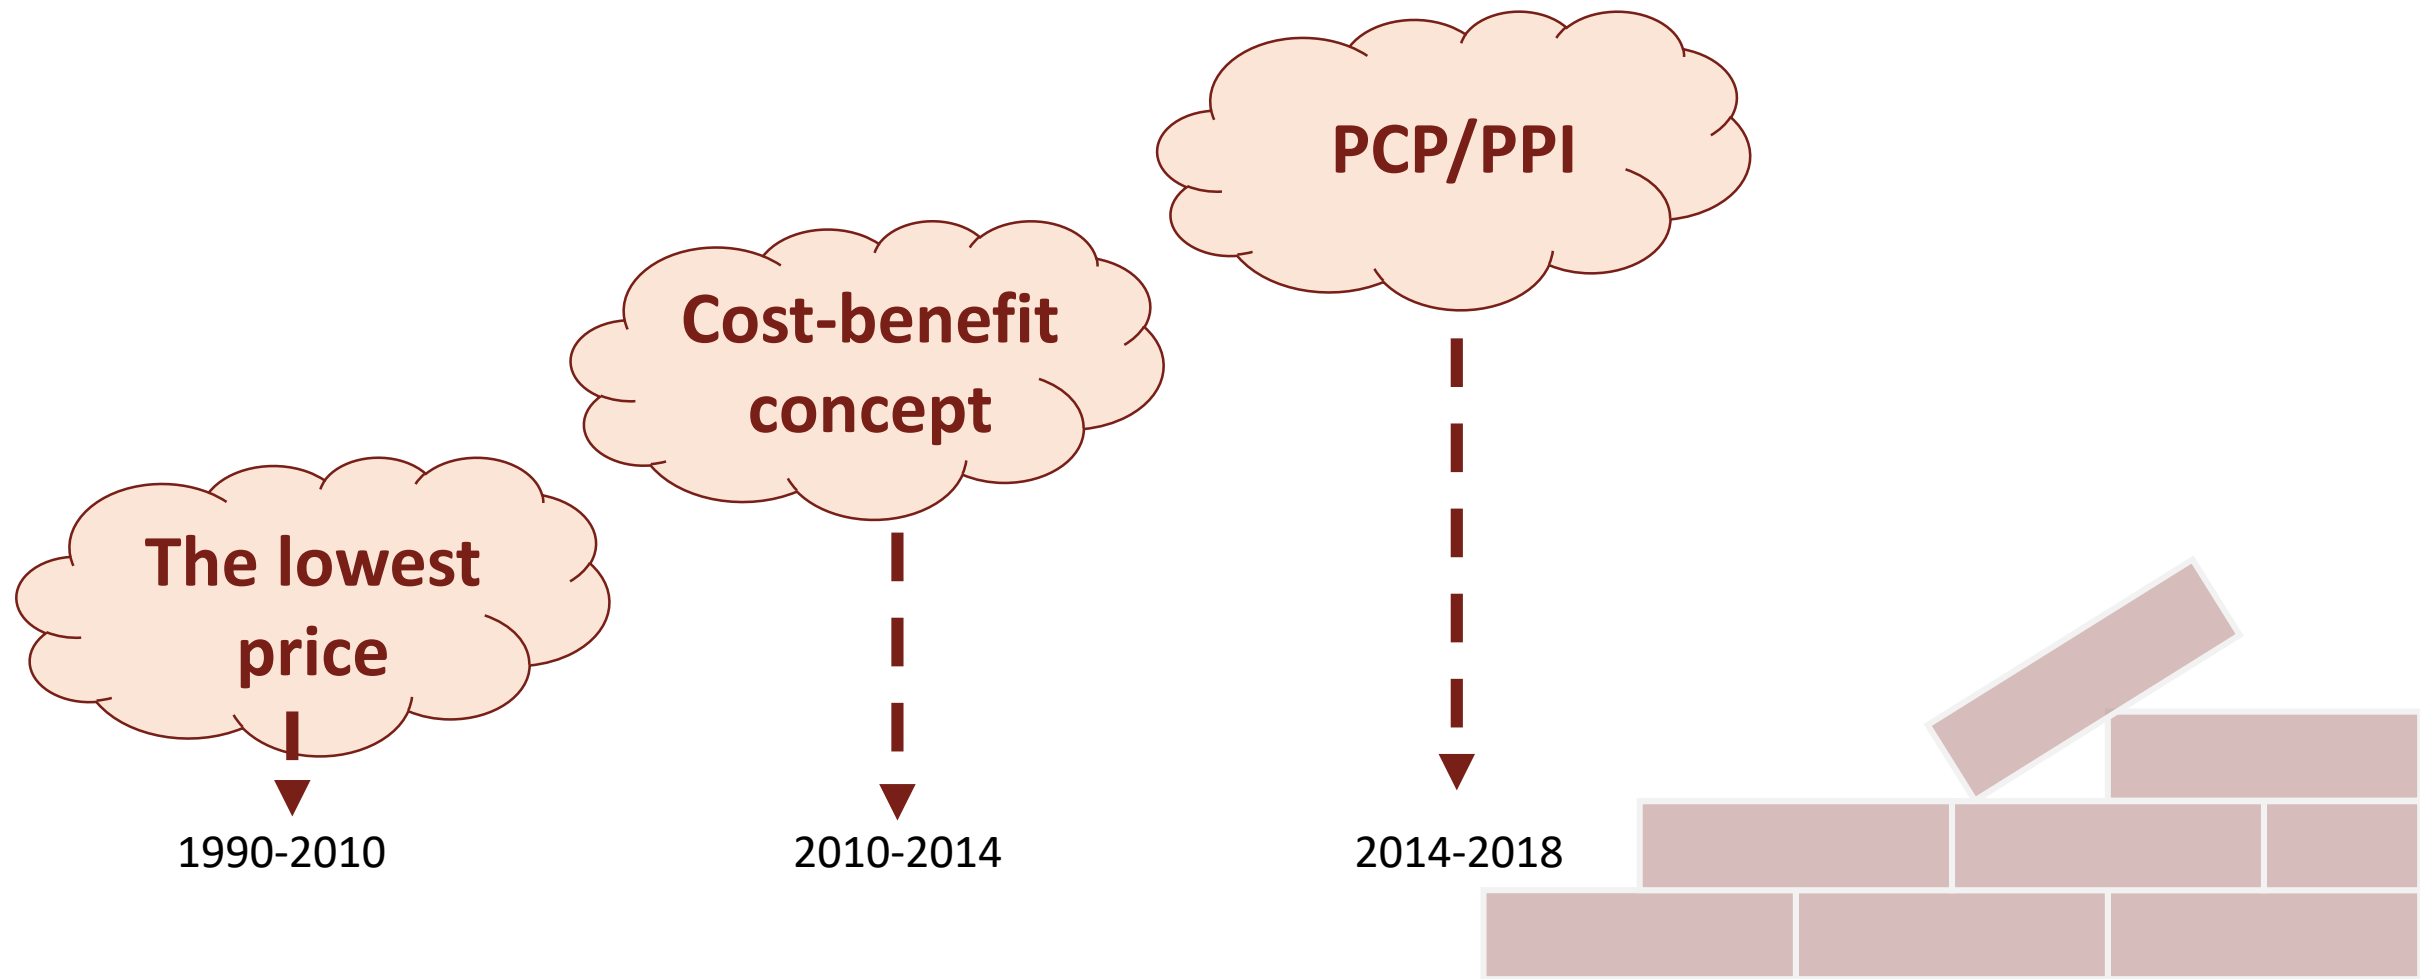

In the case when the procurements of R&D services are not regulated by the Law on Public Procurements, the procedures are regulated by: the PPI guidelines approved by the Order N. 4-938 (2014-12-29) of Minister of Economy of Republic of Lithuania, or by the Order on Implementation of the PCP procedures approved by the ruling N. 709 (2015-07-01) of the Government of the Republic of Lithuania
