

# Lombardy Green Chemistry Association

**SMART PILOTS  
STUDY VISIT**

Innovhub SSI, Milan

27th March 2018

**Regione  
Lombardia**

Cluster Tecnologici Lombardi

 ***The Cluster***

 ***Mission***

 ***Goals and Activities***

## The Cluster

## The Cluster: LGCA affiliates (03/2018)

***Mission: LGCA as a technical partner of Lombardy Region to...***

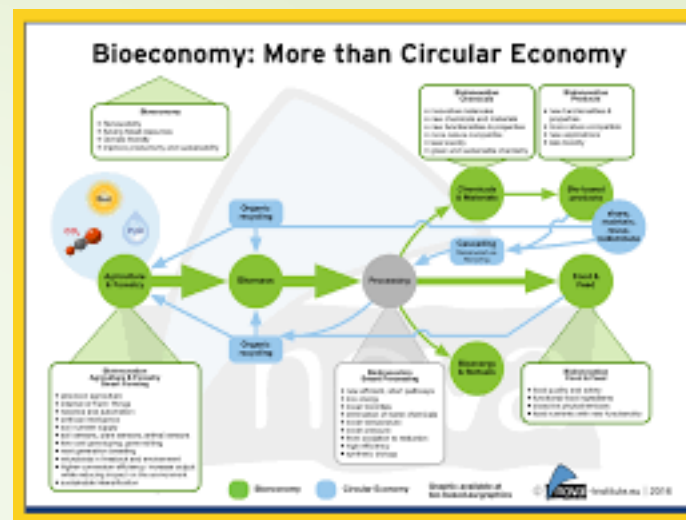

- define a **regional policy** aimed at **supporting and promoting innovation** in the Green Chemistry sector
- support Lombardy Region for **Smart Specialisation Strategy** optimization
- support the regional participation in international initiatives (**Vanguard – EUSALP**)

# Main Goals

- Technological solutions

- Networking

- Share informations

# Partnership

<http://Eurodesk.lom.camcom.it/eurodesk>

## Next events

- **General Assembly and Annual Event**, May 2018 at Lombardy Region
- 6° Bioeconomy Dialogues, June 2018, Bicocca University
- 7° Bioeconomy Dialogues, July 2018, Brescia University
- 8° Bioeconomy Dialogues, September 2018, Spallanzani Research Institute

# Insieme

per promuovere un' Economia  
Circolare sostenibile e rinnovabile
