Good Practice from Castilla y León Region

Mining cluster Castilla y León
Santa Barbara Foundation

Mining Lands Castilla y León – Program of actions for unemployed, companies and entrepreneurs (part of the Plan for the Economic Revitalization of the Mining Municipalities 2016-2020)

- **Problem addressed** – coal mining has been an activity in crisis, affecting all of Europe
- **General objective** - develop and promote the economic and employment activity in the mining lands of Castilla y León (north of León and Palencia)
- **Extends** - to the 81 municipalities
- **Involved entities** Ministers of Castilla y León, ICE, Entrepreneurs of Castilla y León (CECALE), Foundations, Technological Centers, the CCOO and UGT unions, etc.
- “**Offices mining lands**” (La Pola de Gordón, Villablino y Guardo) was created in March 2017, aimed to manage and coordinate all the actions carried out by ICE or its collaborating entities in the field of mining lands

The main objectives of the offices are:
- Open door to the Regional Administration
- Provide specialized advice to companies and rural entrepreneurs
- Unemployed
Good Practice from Castilla y León Region

**Mining Lands Castilla y León – Program of actions for unemployed, companies and entrepreneurs**

- **Expected impact**
  - Business activities related or not with mining sector
  - New economic capacities
  - R&D&i
  - Qualification of human capital - Training in different areas
  - Diversification of the economy and supporting entrepreneurship, taking advantage of existing resources that offer significant development potential
  - Improvement of the environment

- **Results achieved**
  - “World 12.70” - Brewery in an old mine
  - ICAMCYL
  - Santa Bárbara Foundation - R&D projects
  - Tile factory with R&D laboratory for advanced energy saving and recovery projects
  - International forum – the forum of coal mining areas – activation of endogenous resources: economic, social, ecological and landscape aspects – Bembibre

Additionally there is a program **European Globalisation Adjustment Fund** (EGF) provides support to people losing their jobs. The EGF can co-finance projects including measures such as: help with looking for a job, mentoring and coaching, entrepreneurship and business creation…
