<b>MAIN TOPICS DISCUSSED</b>		
Please List them briefly		
<p>1 - Participants' projects presentation</p> <p>2 - Talk by Paola Romano – Municipal Council Member (Bari Municipality) – about the municipal strategy regarding incubator spaces</p> <p>3 - E-Cool Project presentation</p> <p>4 - Presentation of the good practices shown in the Brno General Meeting</p> <p>5 - General discussion and good practice assessment</p>		
<b>MAIN ACTION POINTS</b>		
Please List them briefly		
<p>1 - The young entrepreneurs have briefly presented their projects dealing with coworking, entrepreneurial incubation, cultural spaces. The goal was to better know each other and present their experiences to the local and regional Institutions</p> <p>2- The municipal Council Member has shown the municipal strategy regarding spaces for young people (incubators, coworking, ...) discussing the difference between public and private – driven initiatives</p> <p>3- E-Cool Project has been presented with a focus about the GGPPs shown in the Brno General Meeting</p>		

4 - A discussion has been developed regarding the coworking spaces economic sustainability and cooperation opportunities between public Institutions and private organisations. Finally the participants have collectively assessed the GGPPs. Many of them were interested in taking contacts with some of the GGPPs to cooperate
