1. Announcements / Notes

Oliver Pielmann (Pomerania DE), Katrin Schikorr (DUH) and Irena Stróżyńska (Pomerania PL) welcome the participants. All participants present themselves and shortly point out their relation to the project.

2. Actions / Results

- Presentation of the WLE project with activities, objectives, involved partners and partner regions, project agenda with partner meetings and 5-day study visit, peer2peer groups, by Oliver Pielmann (Pomerania DE) and Katrin Schikorr (DUH)
- Presentation of the "Cross-border development and action plan of the Euroregion POMERANIA for the period 2021 – 2027" (EHK) by Sven Friedrich, Infrastruktur & Umwelt. The final draft will be presented and distributed end of 2019, with possibility to amend / comment during January 2020.
- Discussion with participants on their point of view on WLE in the Pomerania region; possible connection points arose especially in the field of cross-border environmental education centers; development of nature tourism offers (and its common networking and marketing), the guiding of nature trips and regional marketing of it; the topic of waste problem in the landscape.

- It was proposed that actions, (project-) ideas etc. within the WLE-project should be related to the results of the SWOT-analysis “Nature & Environment” in the EHK and 2 of the development goals derived from this:
 1. International protected area system of the Euroregion Pomerania
 2. Cross-border environmental education platform of the Euroregion Pomerania
- ➔ to get the best chances of implementation and financial support.
