3 ACTIONS

ZAVOD za GOZDOVE
SLOVENIJE

Slovenia Forest Service

Action 1:

Improve the conditions for a more active role of forestry experts

Action 2:

Increase the interest of forest owners

Action 3:

Improve cooperation and coordination between decision-makers

ZAVOD za GOZDOVE
SLOVENIJE

Slovenia Forest Service

IMPROVE CONDITION FOR MORE ACTIVE ROLE OF FORESTRY EXPERTS

Research among forestry owners and users of wooden biomass

More quality informations- financial benefits, efficient use

Counseling was offered – fairs, conferences, work safety course

Presentation of Action plan

ZAVOD za GOZDOVE
SLOVENIJE

Slovenia Forest Service

INCREASE THE INTEREST OF FOREST OWNERS

Rural development program (ERDF)

967 consultancies – pooling of forest owners, management of low quality forests

ZAVOD za GOZDOVE
SLOVENIJE

Slovenia Forest Service

BIO4ECO
Interreg Europe

IMPROVE COOPERATION AND COORDINATION BETWEEN DECISION MAKERS

Climate change- unpredictable interval, big amount of low income wood

Strategy for smart use of biomass for energy purposes

1. Interdepartmental group (Ministeries, Forest Institute and SFS)
2. Prevent the use of quality wood for heating purposes
3. Improvment of air quality
