LOCAL ANALYSIS

REPLACE
Interreg Europe

Key Activity

European Union
European Regional
Development Fund

- Allow to highlight sectors with the most potential for Circular Economy
- The identified sectors are used to engage stakeholders in a sectoral and cross-sectorial way (needed now because of COVID limitations and impossibility to have in person meeting with numerous stakeholders)
- Needed for a more targeted continuation of both Communication and Project activities
- Allow the progression of the work on cross-regional synergies and to arrange online meetings with interregional stakeholders across and within value-chains
- Ensure a better tailoring of the financial instruments more keen to meet their needs

LOCAL ANALYSIS
