You are kindly invited to test the first version of the tool and...

- Be inspired for the steps to complete towards a (global) circular economy
- Give your feedback to improve the tool!
- Get first results from your region and..
- See the results from other regions for learning purposes

**Together
Circular!**

TO DO

- Before January 14th 2021:
Take a look at the tool and particularly the questions to be answered.
High level feedback on what you think of the questions and does the tool meet the input - output - user demands.
E-mail: bartvolkers@proactblue.nl - feedback before Monday January 11th 2021
- At January 14th REPLACE webmeeting, we will further explain how to use the tool (**briefing**).
- Between January 14th and February 28th February:
Run the Tool for your organisation and give us your feedback
We will invite three regions outside REPLACE to test the tool as well
- Two informative webinars will be organised upon request:
 - January 21th 10:00 CET
 - January 26th 14:00 CET
