# Healthy and sustainable menus in municipal nursery schools of Pamplona

**Sandra Elía Hurtado** [seliahur@navarra.es](mailto:seliahur@navarra.es)

Government of Navarra

**On behalf of the Municipal Nursery Schools of Pamplona**

25 to 27 May 2021 □ 4<sup>th</sup> Transnational Learning Journey in Slovenia

# Sustainable menus

**CPV 55320000: Meal supply services**

**2-year service requesting the supply and logistics of fresh, organic, seasonal and local food , as well as the reception, storage and transport to the nursery canteens**

**10 nursery schools that have their own kitchen with cooks who are public workers**

**1,022 menus/day (0-3 years old; mid-morning snack and lunch, and the lunch to adults)**

**<https://hacienda.navarra.es/sicpportal/mtoAnunciosModalidad.aspx?Cod=1902141358189E67954F>**

# Sustainable menus

The tender was divided in 12 lots of food and a logistic management lot.

- Veal
- Chicken
- Eggs
- Fish
- Yogurt
- Vegetables
- Cereals & legumes
- Pasta
- Bread
- Oil
- Tomato preserves
- Various food

## ***Compulsory food criteria depending on the lot:***

- 50% organic
- 100% fresh
- 100% unprocessed
- 100% GMO free
- 100% not frozen

# Sustainable award criteria

## Products of differentiated quality:

- Organic
- Protected Denomination of Origin (PDO)
- Protected Geographical Indication (PGI)
- Autochthonous breeds or traditional varieties
- Artisanal production
- Sustainable fishing or aquaculture

## Distribution and proximity channel:

- none or one intermediary
- place of production, slaughter and transformation up to 200 km to the hiring center

# Sustainable award criteria

## Kind and format of packaging:

- exclusive and reusable or not reusable, but recyclable, compostable and ecological
- big formats

## Actions for knowledge transfer, awareness raising and education in food, environment and social justice

## For the logistic lot:

- distribution routes
- vehicle environmental label (0, Eco or C)
- up to 50 km to the contracting body

# Veal award criteria

**Compulsory criteria:** 100% not frozen, 100% fresh, 50% organic, 100% unprocessed, 100% GMO free.

## **Award criteria - 100 points**

### Differentiated quality:

- **15 points** if 100% organic ( $P = P_{max} * \%$ )
- **10 points** if 100% PDO or PGI
- **10 points** if 100% native breed

### Distribution channel and proximity

- **15 points** direct channel, **10 points** one intermediary
- **10 points**, % proximity offered - place of production, slaughter and transformation up to 200 km. ( $P = P_{max} * \% \text{ offered}$ )

Awareness, food, environmental and social justice education actions: **10 points**, 2 for each proposed activity

Price: **20 points**

Response time to possible emergencies: **10 points** if less than 12 hours, **5 points** between 12-24h.

# Yogurt award criteria

**Compulsory criteria:** 100% fresh, 50% organic, 100% GMO free.

## **Award criteria - 100 points**

### Differentiated quality:

- **25 points** if 100% organic

### Distribution channel and proximity

- **15 points** direct channel, **10 points** one intermediary
- **10 points**, % proximity offered (place of production and transformation up to 200 km)

### Kind and format of packaging:

- **6 points** exclusive and reusable, **3 points** not reusable, but recyclable, compostable and ecological
- **4 points** 5l. packaging, **2 points** between 1-2l. packaging

Awareness, food, environmental and social justice education actions: **10 points**, 2 for each proposed activity

Price: **20 points**

Response time to possible emergencies: **10 points** if less than 12 hours, **5 points** between 12-24h.

# Results achieved

- **10 nursery schools** with healthy and sustainable menus
- **1,022 menus/day** children and adults
- **1,000 families aware** on sustainable and healthy eating
- **kitchen and canteen staff trained** in sustainable and nutritional menus.
- **100% of fresh food, 90% organic, 80% local, 75% direct channel.** From this percentage of direct channel: 100% (meet, oil, yogurt, eggs and bread), 85% vegetables, 65% legumes, 63% cereals and 8.5% fruits.
- **EUR 171,600 return value** to the organic sector (annual).

# Learning and transfer

- The city of Pamplona signed the **Milan Policy Pact**
- Pamplona is a member of the **Covenant of Mayors**
- The **Regional Law of Public Contracts** indicates  
*“the contracting authorities must incorporate aspects that require or prioritize their quality, related to health and nutrition, ecological or organic character, food sovereignty and security, taking into account the life cycle of products, or the minimization of emissions and raw materials in transport and packaging”*
- **Pilot** previous to the tender
- **Potentiality to spread** this kind of tenders to **other public bodies**: universities, hospitals, nursing homes, offices, penitentiaries...
