The real starting was earlier than 13:00 and was ended at 14:30

LSG Meeting Conclusions

A. Summary of the meeting

Executive summary of the meeting minutes

The objective of this meeting was the presentation of the results of European partner's virtual meeting which took place on 27/01/2021, 21/04/2021 and 15/06/2021, the exchange of views and experiences between stakeholders and the preparation of the next steps of the program.

More specifically:

- Informing about the Action plans and Good practices that will be useful for RDFA's policy instrument and the projects
- Informing about the status of JAR
- Discussion about Water directive/water management and water protection measures
- Informing about the progress achieved in the implementation of the project
- Informing about the selection of GP's and matchings
- Next meetings

The virtual meeting was completed with discussion and proposals regarding the participation of RDFA's stakeholders to the virtual study visits in Lithuania and Spain.

B. Recommendations of the LSG

Recommendations of the LSG for the partner

Several questions were raised and discussed during the stakeholder's meeting. The stakeholders wanted more information about their participation regarding the identification and the selection of Good Practices concerning the project and Region of Attica. Also, they will have an active role in the virtual study visits which will take place in Lithuania and Spain.

C. Information Request

Request of additional information to the partnership/a particular partner

After meeting, all the participants were informed that RDFA will provide them additional material of the project.
