The real starting was at 13:20 and was ended at 14:30

LSG Meeting Conclusions

A. Summary of the meeting

Executive summary of the meeting minutes

The meeting began with the presentation of the status of the BIGDATA 4RIVERS project.

Also, the LGS members discussed about the development of the Action Plan of Region of Attica. Good practices were identified by RDFA and are:

- Solutions of Stormwater management - Kretinga town surface (stormwater) runoff infrastructure development (ID: 28)
- Pilot testing of activated carbon at Kretinga WWTP (ID: 30)
- Managing the risk of flooding on the Orleans Canal (ID: 23)

RDFA is interesting to adopt and implement these GP's, so further details will be requested at the meeting of Matching Pairs on 03/12/2021.

The LSG meeting continued with discussion about the Interregional Knowledge Transfer Seminar in Spain which will take place on 13-14/01/2022. RDFA and its stakeholders will participate in Panels:

Panel I: Managing authorities involved in the project

Panel II: BIGDATA Technology and Water Resources Management

Panel III: Good Practices and Best Technologies Available

All the interested parties state their opinions, comments, and inputs about the development of Action Plan and their participation in meetings and study visits, knowledge transfer seminars and interregional workshop.

B. Recommendations of the LSG

Recommendations of the LSG for the partner

The virtual meeting was completed with discussion and proposals regarding the participation of RDFA's stakeholders to the knowledge transfer seminars on Spain. They stressed that they will be supporting RDFA and they will contribute, participate and assist to project actions.

Recommendations of the LSG about the good practices/site visits

LSG committed to help RDFA at the development and implementation of Action Plan.

C. Information Request

Request of additional information to the partnership/a particular partner

After meeting, all the participants were informed that RDFA will provide them additional material of the transfer knowledge seminar.
