International wild flower festival

A bouquet of **botanical tours, events and culinary experiences dedicated to wild plants**, Bohinj's floral wealth and local offerings.

Festival events take place every year in May and June in a wide variety of locations in Bohinj, which covers 24 villages and thus 300 km².

Organised by Bohinj Tourist Association.

2021, 2022: Due to COVID-19 **organised in virtual form:**

- on-line lectures
- virtual guided walks and botanical excursions
- culinary workshops
- virtual exhibitions

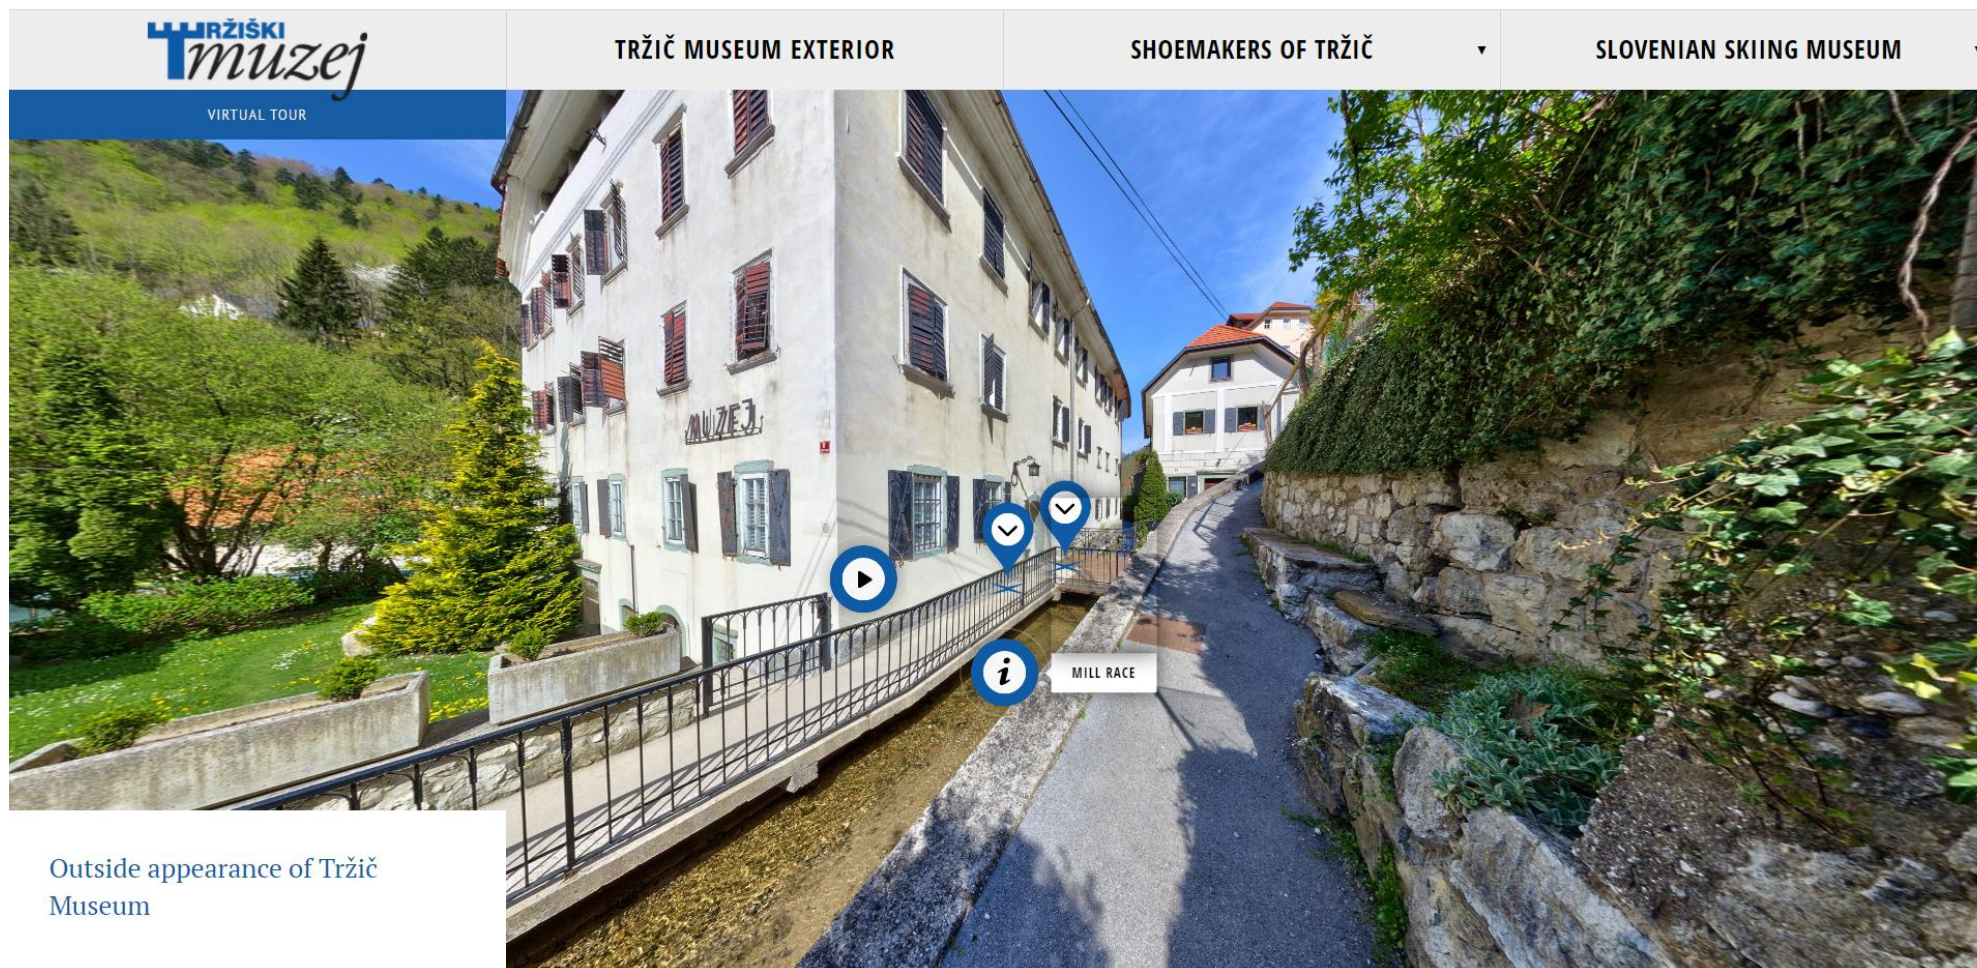

16TH INTERNATIONAL WILD FLOWER FESTIVAL:
27. MAY - 12. JUNE 2022

Museums on-line

With good tools half the work is done

In the 19th century, the shoemakers of Tržič made shoes in workshops which were located in the central part of large houses. Footwear was made by hand. There are various sayings which are connected with their work and are still used today.
