TPBI and Bucharest Ilfov region

Name: Bucharest-Ilfov Intercommunity Development Association for Public Transport (TPBI)

Established: november 2017

Organization:

- cooperation structure for local public authorities in the Bucharest-Ilfov region;
- founding members of TPBI are all administrative-territorial units (ATUs) in the Bucharest-Ilfov region: Bucharest Municipality, Ilfov County and the 40 ATUs (8 cities and 32 communes).

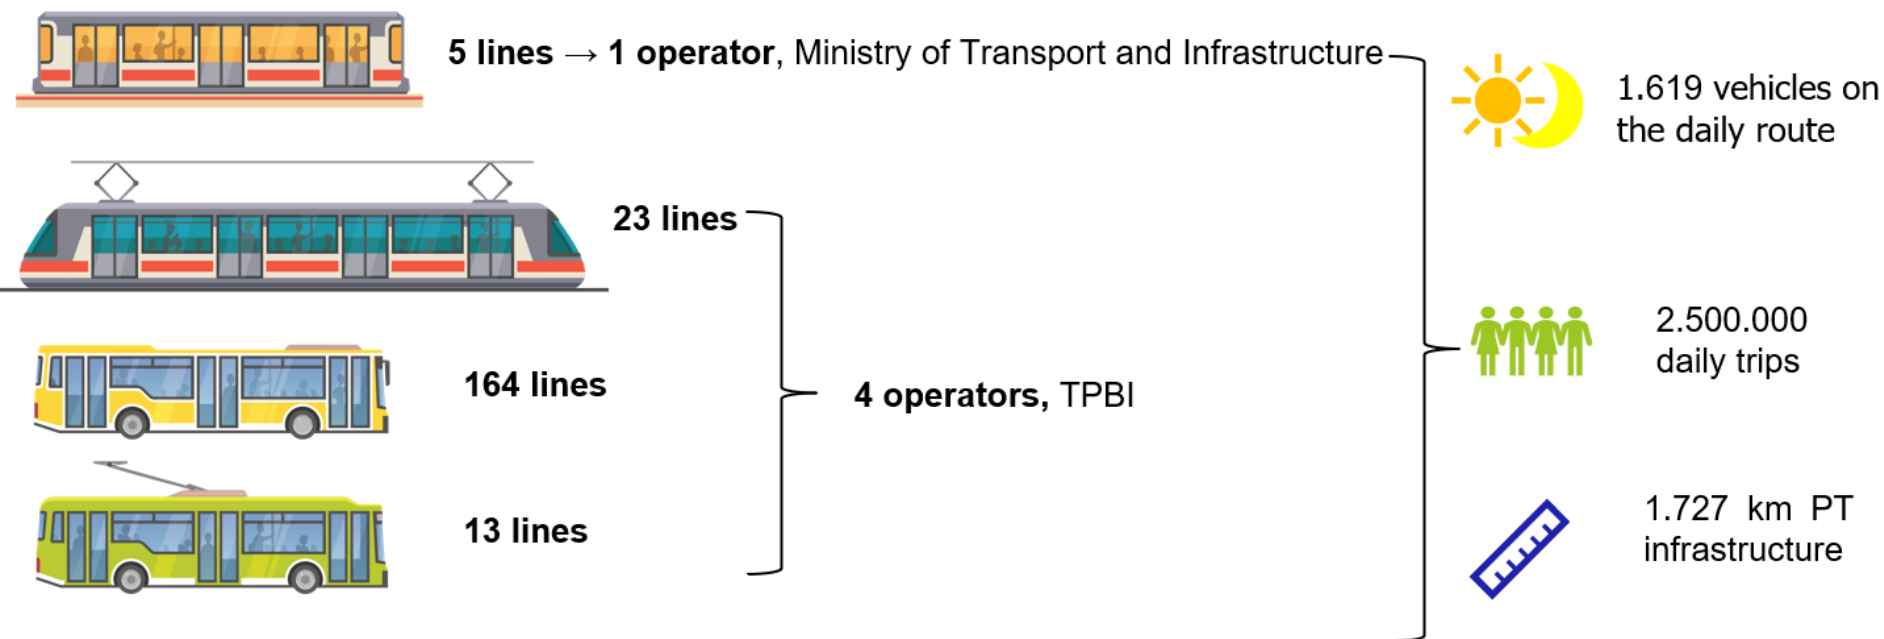

Bucharest-Ilfov region presentation:

- surface of 1,821 km²;
- population of 2.31 millions (2019).

Public transport network

In the Bucharest-Ilfov Region there are **200** surface public transport lines, of which **135** are urban lines, operated by buses, trams and trolleybuses, and **65** are regional lines, operated by buses.

Green mobility – projects for vehicles procurement

TPBI assisted its members, during the programming period 2014 – 2020, in the preparation of non-reimbursable projects for public transport vehicles procurement, as follows:

- **Bucharest City:**
 - 100 electric buses;
 - 100 trams;
 - 100 trolleybuses;
 - 130 hybrid buses.

- **Voluntari City:** 36 electric buses;

- **Chitila City:** 23 electric buses;

- **Mogoșoaia Commune:** 12 electric buses.

Green mobility – projects under preparation

TPBI is preparing projects aimed at both the infrastructure and the fleet renewal from non-reimbursable funds in the programming period 2021 - 2027, as follows:

- Opportunity study for modern vehicles procurement necessary to improve public transport in Bucharest - trams;

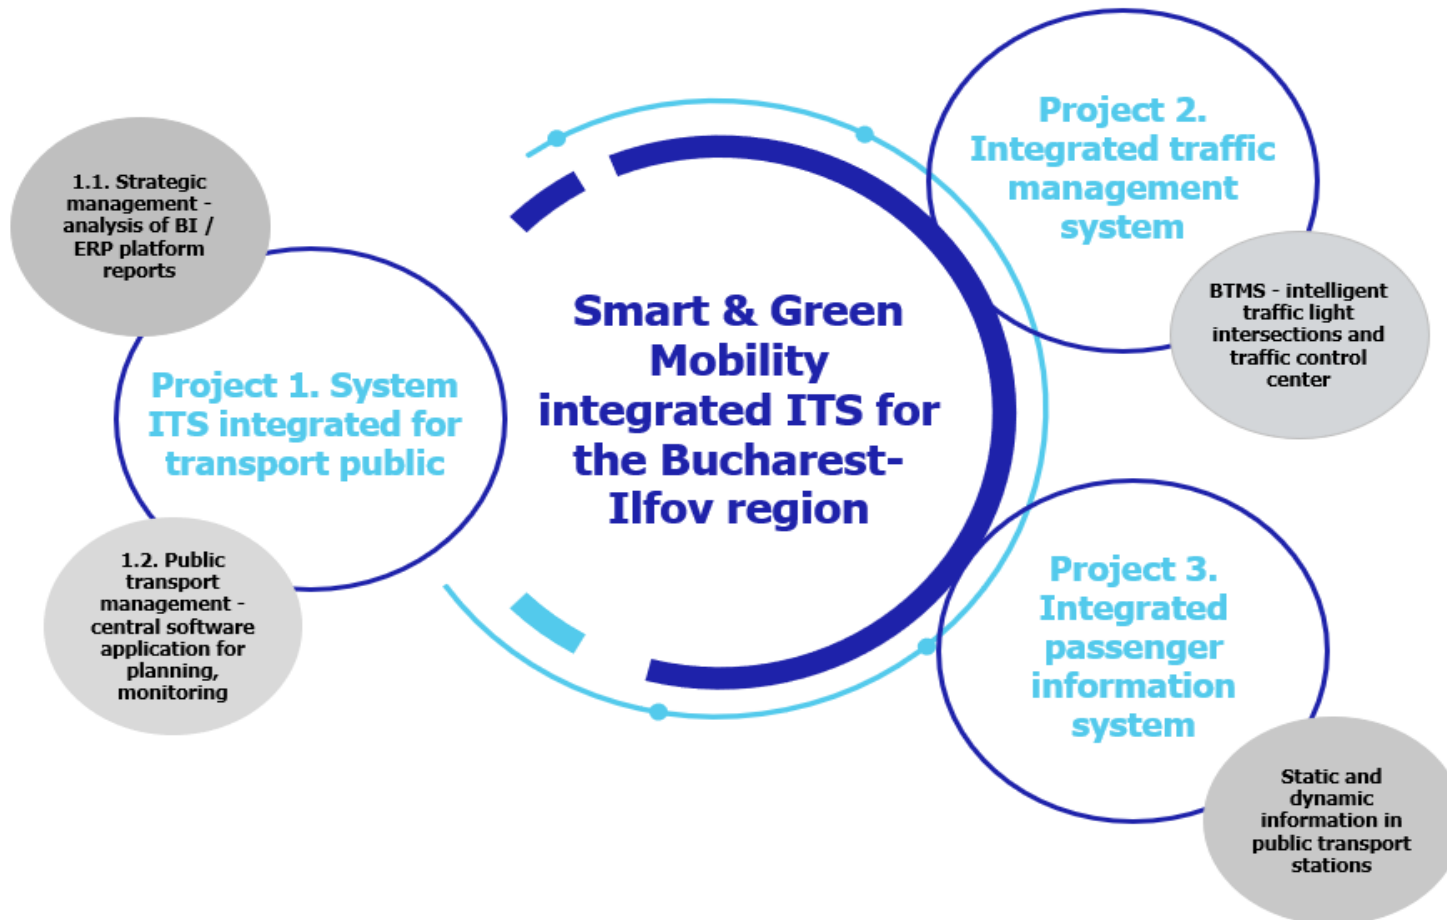

Green mobility – projects under preparation

- Opportunity study for modern vehicles procurement necessary to improve public transport in Bucharest - trolleybuses;

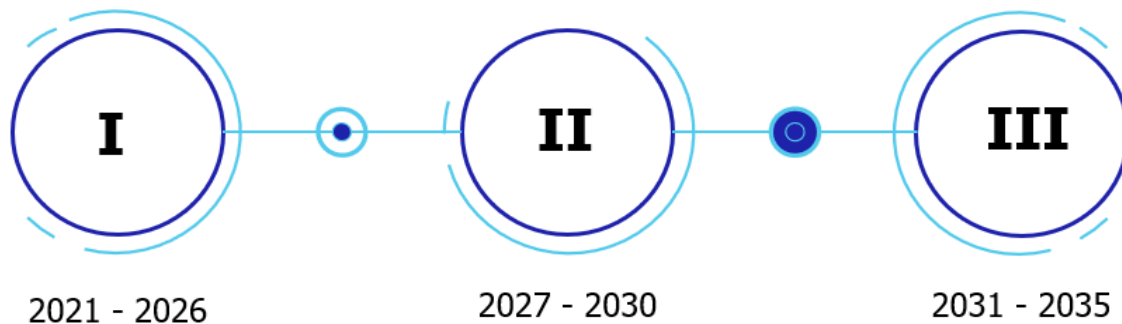

Green mobility – projects under preparation

- Smart & Green Mobility integrated ITS for the Bucharest-Ilfov region;

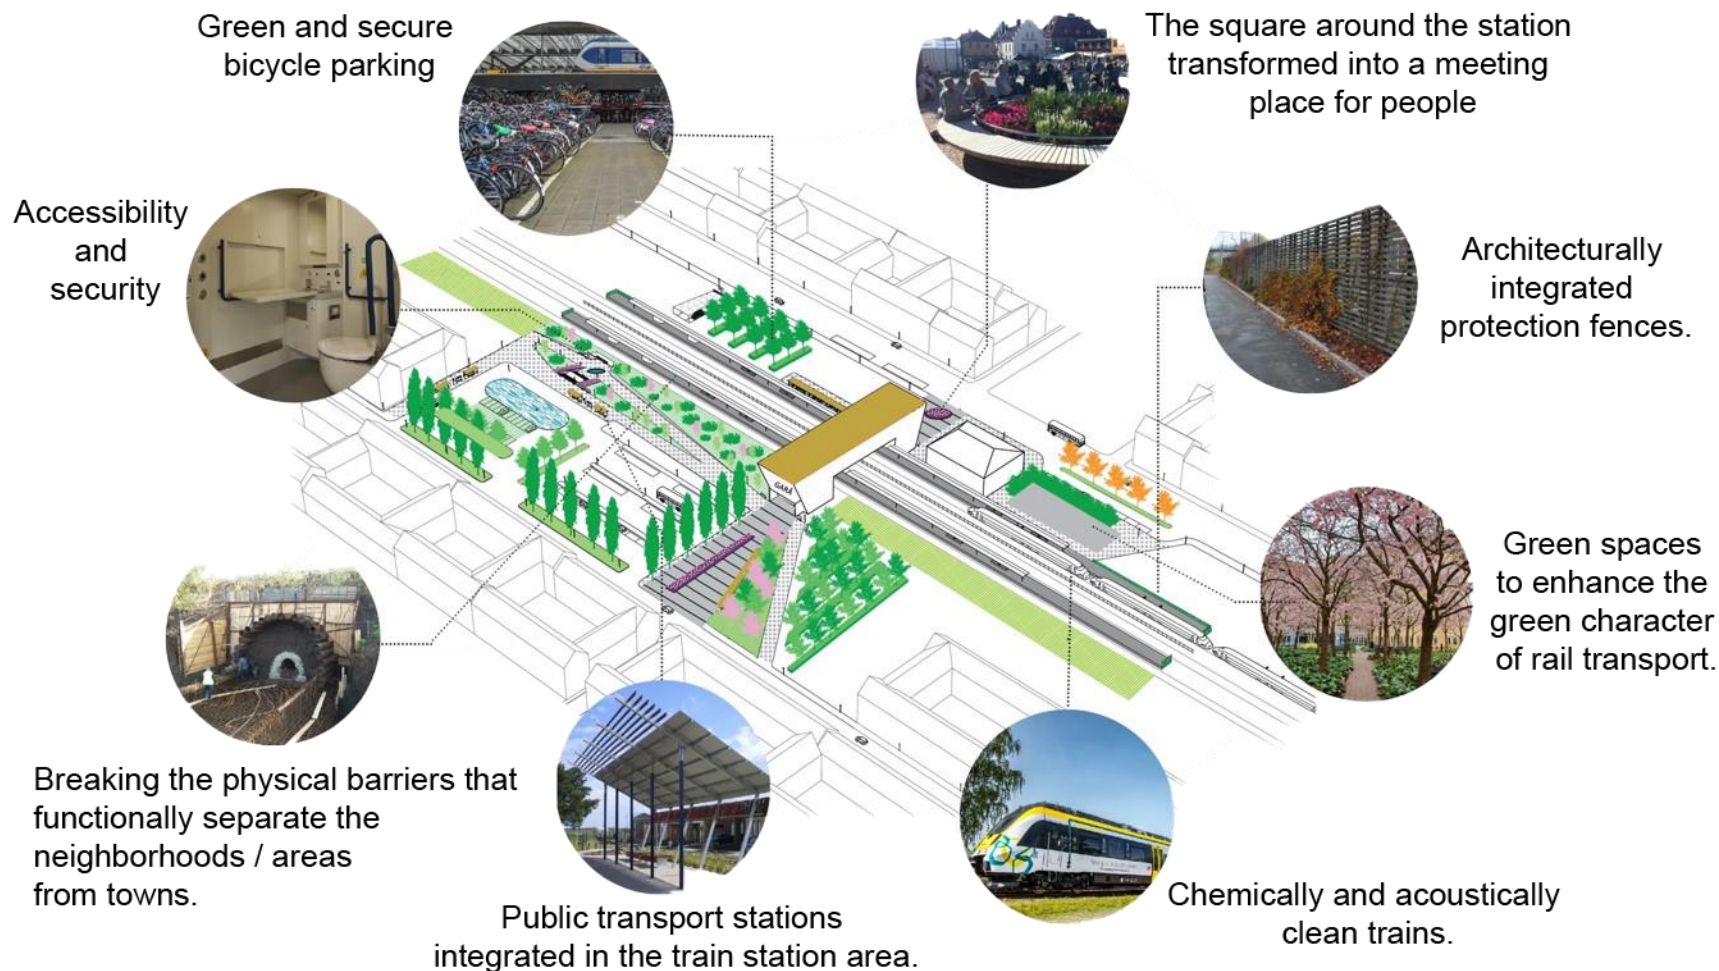

Green mobility – projects under preparation
