Networking tables

Find partners or join projects! Check the networking table schedule and join a group on the spot (no registration required). Or book a networking table for you to present a project idea, find potential project partners and network with people interested in similar topics.

Library and film corner

Take a moment to watch videos or browse through publications shared by other participants. Get inspired by what others have done in the fields of research and innovation, SME competitiveness, low-carbon economy and environment and resource efficiency.

Interreg Europe corner

Benefit from the opportunity to meet people from the joint secretariat.

- Prepare a question on project development, your application or the programme and book your **10 minutes on the spot** to get an answer during the coffee breaks.
- Meet a policy and finance officer to **discuss your project idea** in detail at the time booked in advance.
