

Lead partner webinar

First call projects (2021-2027)

19 January 2023, online (Zoom)

About

Interreg Europe organises a welcome webinar for **lead partners of newly approved first call projects** on **19 January from 10:00 to 11:30** (CET/ Paris time).

During the webinar:

- the lead partners will learn more about the steps to follow to **start their projects**.
- **the subsidy contract, the partnership agreement and the communication requirements** will be presented and discussed.
- the joint secretariat will also present the **upcoming events and trainings** available for the project partners.
- the lead partners will have the occasion to ask **questions** and get additional details on topics related to the start of the project implementation.
