Would you like to know about ACCELERATE GDT?

Click the image above to and check out our introductory video.

Explore the ground breaking work of the #AccelerateGDT project as we seek to drive the green & digital innovation across Europe through clusters.

- Learn how cluster policies transform regions by improving competitiveness
- Dive into the world of green technologies and sustainable practices.
- Explore success stories that showcase the real change we're creating.
- Get insights into our collaborative efforts with partners from across Europe.
