## Accelerate GDT's partners visited Duisburg on 20th & 21st July

On the 20th and 21st of July 2023, the ACCELERATE GDT partnership met in Duisburg, Germany hosted by [Duisburg Business and Innovation \(DBI\)](#) for the first workshop of the project, 'SME Competitiveness and Green and Digital Transformation.' A fantastic opportunity for partners to share good practices related to this topic. Please click on the stories below to learn more about the good practices from our partner regions shared in Germany...

### ***IE GP Digital Discovery***

The Digital Discovery grant is an Enterprise Ireland programme to incentivise and support Irish firms to develop a strategy for their digital transition. Support areas include digital mind-set, process flow efficiency, cybersecurity etc. [Read More...](#)

### ***ES GP DIH4CAT***

The Catalonia Digital Innovation Hub (DIH4CAT) is based on the DIH model of the European Commission. DIH4CAT is a centralised "one-stop-shop" where industry can be supported in their digital transformation efforts. [Read More...](#)

## **IT GP METRODIGITAL**

The Metropolitan City of Turin (MCT) presents METRODIGITAL its' initiative of cooperation with the ICT Cluster to implement the digital transformation in its territory as a synonym for local development and SMEs competitiveness. [Read More...](#)

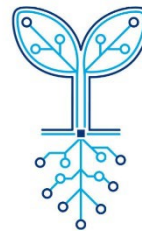

## **CZ GP DigiAudit**

In response to the transition to a green and digital economy, the National Centre of Industry 4.0 @ Czech Technical University decided to respond and develop a methodology 'DigiAudit,' to measure the digital maturity of companies. [Read More...](#)

## **HU GP Cluster Strategy**

In the Hungarian Economic Development and Innovation Operational Programme clusters play a significant role in transforming the economic environment, and accelerating government supports in sustainability, green and digital transformation. [Read More...](#)

austria wirtschaftsservice 

**aws** Preseed –  
Deep Tech

## **AT GP Pre-seed Deep Tech**

Innovations develop in the deep tech, sustainable and sometimes in the creative and social sectors. To support Austrian start-ups in their development Austria Wirtschaftsservice provide preseed investment to fund firms on this journey. [Read More...](#)

### ***DE GP Hy.Region.Rhein.Ruhr Association***

As a founding member of the Hy.Region.Rhein.Ruhr Association, Duisburg Business and Innovation is driving decarbonisation in Duisburg together with local and transnational partners via the cluster to reach the goal of climate neutrality by 2050. [Read More...](#)
