

URBAN INNOVATION CENTER

URBAN LAB

City of Rzeszów

What kind of
place is Urban
Lab?

The Urban Innovation Center- Urban Lab is an urban space available to all those who want to have an impact on changes in the city and the direction of its development. It is both a place for the exchange of thoughts, views, ideas and a space where innovative solutions for the city of Rzeszow are created. The activities of the Center have also expanded lately to include meetings for startups and knowledgeable support for local business.

Space open for citizens

- Place where various groups of people can use our space for its purpose, free of charge.
- To enable the development of bottom-up activities/initiatives by providing Users in the space for creative and innovative work, including the development of urban ideas;
- To enable networking, experience and knowledge exchange among Users;
- Supporting initiatives and ideas in the area of urban initiatives.

Calls for
inhabitants.
Micro urban
innovations

Three calls for inhabitants for ideas for micro urban innovations in following areas:

- A modern and friendly city space for residents;
- Solutions that facilitate moving around the city;
- Greenery in the city.

Examples of implementations

Thank you for
the attention!
