PLASTIX

PLASTIX Newsletter I

Christmas greetings and an overview of activities in 2023

First live meetings done

PLASTIX had a great first year, or ten months, with many online meetings, discussions and planning sessions, but also two wonderful live meetings. At the end of June, partners from all around Europe got together in Tampere, Finland, hosted by the project Lead Partner the Baltic Institute of Finland and the other Finnish partner the Council of Tampere Region. The On-Site Deep Dive (OSDD) to Catalonia in November was the second chance for the consortium to

State-of-play analysis published

Throughout the summer and autumn, PLASTIX partners worked on a report on the current state of the plastic sector. [The state-of-play analysis](#), coordinated and compiled by our Spanish partner ACCIÓ, offers information on a global and European level with a special focus on the six regions working together in this project. We are very proud of the report and hope you find it interesting and useful, too.

Merry Christmas & a Happy New Year!
