Interreg Europe **objective**

To improve **regional development policy instruments**
(including Investment for jobs and growth goal programmes)

How?

Through 'exchange of experience, innovative approaches and capacity building' (based on the identification & transfer of good practices)

- Primarily dedicated to **policymakers**
- Focus on **exchange of experience**

Different from cross-border or transnational cooperation

What is a **policy instrument**

A means for **public intervention**:

- a strategy, programme or law
- developed by public authorities
- applied to improve a specific territorial situation

Investment for jobs and growth goal programmes are policy instruments.

What is a '**policy responsible authority**'

- The **organisation in charge** of the elaboration and/or delivery of a specific **policy instrument**
- In most cases, a **public** institution

What is a **policy improvement**

Our projects report **three types of results:**

- New projects
- Change in governance
- Change in the policy instrument itself

Programme area

Interreg Europe's eligibility
area extended to **36 Partner
States**

The designations employed and the presentation of material on this map do not imply the expression of any opinion whatsoever on the part of the European Union concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.
Kosovo: This designation is without prejudice to positions on status and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.
