CROWDFUNDMATCH

CROWDFUNDMATCH aims to improve regional policy instruments, by combining ESIF funds with private funds, collected through crowdfunding campaigns.

KEY ACTIVITIES:

1. Improvement of policy instruments focusing on matching crowdfunding with ESIF funds.
2. Pilot testing of fund matching examples in five partner regions.
3. Improving digital literacy and raising awareness about crowdfunding potentials.
4. Policy learning and exchange of good practices about fund matching for enhancing regional development.
