MonitorEE 2nd Newsletter!!

Watch MonitorEE video to learn more about our project!

Welcome to the **latest edition of our newsletter!** This semester has been filled with exciting activities, from our **2nd Interregional Event** in Paris to various online meetings, where partners have learned from the exchange of experiences, shared good practices, and held Local Stakeholder Meetings to disseminate knowledge within their regions.

In this issue, we invite you to explore an exclusive video that reveals how **MonitorEE** is transforming the way we understand and manage our built environments.

At the **second Interregional Event** of the MonitorEE project in Paris, cutting-edge energy monitoring solutions were unveiled, along with standout local practices, from digital tools to award-winning condominium energy retrofit projects. A stride towards urban sustainability and energy efficiency.
