

Reuse and Repair in a Circular and Social Economy

Establishing new behaviours: network of
Reuse Centres

26-01-2023

Reuse Centres

These Centres offer used and 'pre-loved' items that still hold value and can be reused.

Centres are located within Malta and Gozo.

Contribute to a circular economy:

- Reduction in landfilling
- Saving Energy
- Less use of natural resources

*Items accepted at the Reuse Centres:
Toys, books, bicycles, scooters, jigsaw
puzzles, furniture, Wood, Mirrors*

Donations collected from Reuse Centre sales will go for CSR activities including environmental initiatives.

- Number of Visitors: 3740
- Items acquired: 4450
- Donations received: €9,160

Thank you!
