Europe**

European Union | European Regional Development Fund

Why a platform for interregional policy learning?

Strategic objective =
Capitalisation of project
achievements

In simple words...

How to get more out of the
invested funds for regions in
Europe

How?

- by bringing projects together
- by getting newcomers on board (i.e. managing authorities and regions not involved in IR-E projects)
- by offering ad-hoc support for interregional learning (i.e. without requiring project participation)

What is the Policy Platform about?

4 services for interregional learning

Knowledge hub

Good practices

Community

Expert support
