# DEWISE Virtual reality (VR) staff exchange

Jose Manuel San Emeterio, Programme Manager at ERNACT

Online project activities - Virtual workshop, 30th September 2021

# What was this about and why?

# How it works?

# How it works?

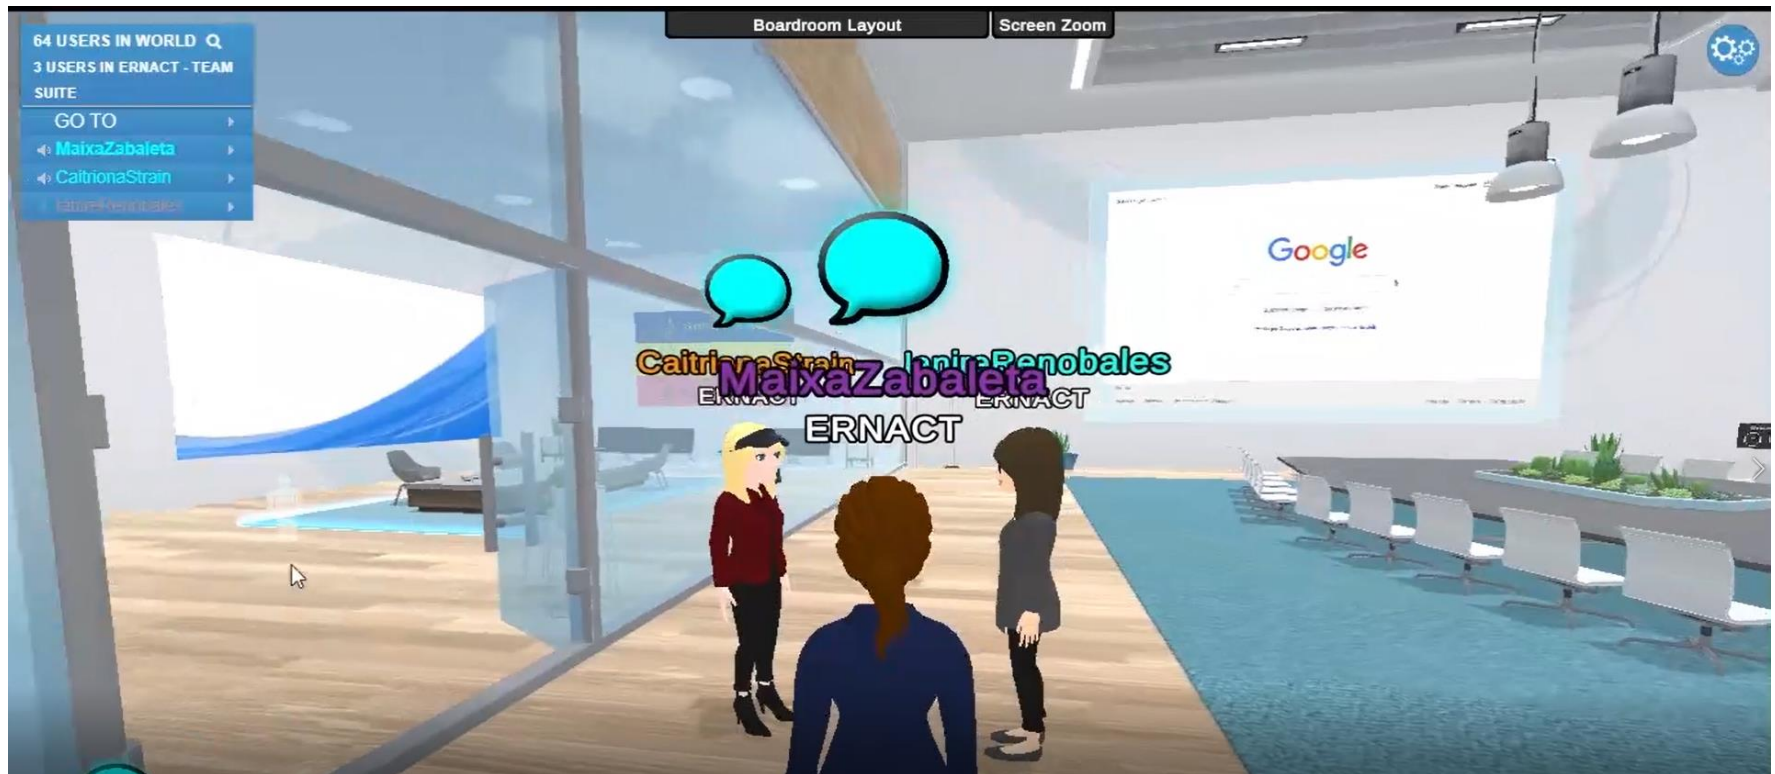

# How it works?

# How it works?

# Some takeaways

- **Invest time in making participants ready for this new environment**
- **Good alternative to have a break from the new 'online meetings routine'**
- **Allows to have more focused meetings**
- **Overall you save time in comparison with physical meetings (although we know this doesn't replace them)**
- **Full immersion it's even funnier**
