## Permanent call for peer reviews

Team up with other European regions to get their feedback and practical advice on your policy challenge

- Face-to-face exchanges with experts (peers) from other regions
- A-Z support from the Policy Learning Platform team
- Easy application!

*It would be too expensive not to do it. [...] the peer review has shown to be a **strong convincing argument towards policymakers** who have the responsibility to trigger change and innovation. In fact, **the peer review allows you to show that new ideas and approaches work elsewhere**, a powerful tool.*

(Jan Nylander, Region Gävleborg, Sweden - peer review host in 2019)
