Export Development Programme

Benefits for the region:

- EDP is a program to retain talent in the region and to support SMEs
- 40% of trainees stays in the region for jobs after their traineeship
- A pilot project of the Export Development Program is carried out in Norway (partner in Inside Out EU: <https://www.interregeurope.eu/insideouteu/>)

FUTURE:

- More pilot projects of the Export Development Program with Inside Out EU partners
- Exchange of students through pilots of EDP with Inside Out EU partners
