

Take the shortcut to smart regional solutions

The Interreg Europe Policy Learning Platform

What does the platform offer for you?

Thematic workshop – Opportunities for the uptake of industrial symbiosis in European regions

**Interreg
Europe**

European Union | European Regional Development Fund

Why a platform for interregional policy learning?

Strategic objective =
Capitalisation of project achievements

In simple words...

How to get more out of the invested funds for regions in Europe

How?

- by bringing projects together
- by getting newcomers on board (i.e. managing authorities and regions not involved in the Interreg Europe projects)
- by offering ad-hoc support for interregional learning (i.e. without requiring project participation)
